

Dear Tim, Annette and Northland Staff,

As I've been thinking about our trip to Orlando, It is hard for me to put into words what my visit to Northland meant to me and how I feel seeing God working in supernatural and similar ways in both hemispheres of the globe.

From our arrival when Tim and Amanda met us at the airport we felt at home. I've heard it said that Christians are at home everywhere in the world, but from the very beginning this relationship was different. Throughout the whole trip I felt a special connection that could only have been generated by the power and will of God.

If I had to mention a few highlights of our time at Northland I couldn't not mention things like:

- The hospitality and generosity with which we were received and cared for throughout our whole stay.
- The time so many people from the church scheduled into their days to be with us, getting to know us, enjoying us and strengthening the relationship with us.
- The shared vision of our churches to be congregations with "our face towards the world", open to mutual learning and teaching.
- Northland's passion for people and desire to make the church inviting, relevant and significant for the children, youth and adults of the community.
- Carolina's and my experience of serving together with Northland's children's ministry team, telling the kids about our country and praising God in two languages but with just one Spirit was like getting an advance on what heaven will be like.
- Being present in the worship planning meeting and seeing how they work in a team, guided by the Holy Spirit, and how the plan is constructed with input from staff, volunteers, invited guests, etcetera.

Obviously there are many more things that impacted me and that I have stored away in my mind and heart, but it would be impossible to list them all. I am so grateful for the opportunity to have met the people who make up the "church at Northland in Orlando! I want you to know that I was loved, spoiled, inspired and encouraged by God through you...

I know that God has great plans for us, so we'll be in touch! My prayer is that God will fulfill in Northland and in St. Andrews the promise from His word: "No eye has seen, no ear has heard, no mind has conceived what God has prepared for those who love him" **1 Corinthians 2:9 (NIV)**

Greeting you from Argentina, Cami
