

## Stiff Chronicles

### A New House

We praise God that He has made it possible for us to buy a house in Guatemala City. For the past four and a half years, we have been renting a home. As we have prayed and sought the counsel of others, we feel like investing in a home is good stewardship of the money God provides for us. We

will move into our new home in December. It is a condo that is being built across the street from the girls' school. So, please pray with us as we are in the process of paying the down payment and as we do the paper work for a mortgage here in Guatemala.

### A Friendly Visit

Max and Renee Pfaffinger came to Guatemala to visit us this summer. They spent the month of July working alongside us in ministry, getting to know our team, and seeing what our lives are like here.

We had a wonderful time with them and were so blessed by their visit. Please pray with them as they seek God's direction in their lives toward missions.

### An End to the Fiscal Year

We are praying a lot this month as we anticipate the fiscal year ending. As I write this, we are \$47 in the black for the year and trust the Lord that we will end the year well. We are praying for abundance over our yearly need, as that money will go directly to our ministry fund, which is rapidly depleting. Would you like to give toward our monthly and ministry needs? If God leads you to give, please fill out the enclosed card and send your donation in to OC. Thank you so much for your generosity and support!

### August Opens New Ministry Doors

We taught our first seminary class during the first week of August. A professor from the seminary invited us to teach a session of his Introduction to Missions. We also did a training in Team Work with a group of Guatemalan youth. We really enjoyed working with the seminary students and the youth from around Guatemala City.
